

THE GATSBY NYE DINNER SHOW

WHERE EVERY HOUR IS MIDNIGHT SOMEWHERE

This New Year's Eve,
Step aboard Gatsby's grandest adventure yet – an immersive celebration that takes you on a voyage around the world, carried by
the magic of a hot air balloon soaring through midnight skies.

Inspired by the wild extravagance of Gatsby's legendary soirées, this year's celebration invites you to travel across time zones
and continents, with every hour unveiling a new destination, a new tradition, and a brand-new countdown.

The night begins with an extraordinary dinner show filled with surprises, and once the clock strikes twelve in Dubai, the balloon
takes flight – guiding you through a night of pure indulgence, music, and celebration until 5AM.

Each destination reveals a new scene, a new rhythm, a new reason to toast. Because in Gatsby's world, midnight never ends – it
simply moves around the globe.

BECAUSE SOMEWHERE, IT'S ALWAYS MIDNIGHT – AND EVERY MOMENT IS A REASON TO TOAST!

CARRIE NATION

Raspberry and ribbon sparkle in protest. A gentle revolution in bloom, laced with vodka's quiet clarity and almond's whispered warmth.

REPEAL DAY & CONTRABAND

Dried banana and golden pulp whisper of forbidden tropics, velvet nights and the slow burn of cognac's amber kiss.

THE BITTER SYNDICATE

A hushed alliance of dark berries, noble bitterness, and subtle spice. An elegant whisper from the underworld, sharpened by gin's botanical blade.

LUCKY LUCIANO

Mint leaves rustle over cocoa shadows. A hush of green and dusk, stirred by bourbon's warmth and a whisper of Southern charm.

SPEAKEASY PLEASE

Coffee lingers in velvet shadows, served with elegance, chased by vodka's chill and hazelnuts.

Mint tea stirred with apple, veiled in blue and dusted with gold. Served over a frozen sphere, crowned with mint – like a secret waiting to burst in velvet shadows.

HONEY TRAP

Seductive, smooth, yet spiced with ginger's bite. This name evokes the traps laid by undercover agents... or cocktails too alluring to be truly innocent.

SEXY LADA

A tropical temptress in mango silk and scorched foam, served undercover because some pleasures aren't meant for public eyes.
